

Legrand acknowledges

ProTel Technologies, Inc.

of

Penticton, BC

is Certified at the Certified Installer Plus (CIP)
Partner tier

for the 2022 calendar year

This certification allows the installer to offer the nCompass Standard and Premium Performance Limited Lifetime Warranties and all other extended warranties including a 25-Year Warranty, for properly registered and approved projects in BC.

Warranty for projects outside BC must be pre-approved.

A handwritten signature in black ink, reading 'Cynthia S. Morissette'.
